WHAT'S YOUR AMBITION?

ARCHITECT

MAYAR EL-SAYED, KUWAIT

BA (Hons) Architecture

"BCUIC's flexible entry requirements allowed me to access the degree I wanted to study. I felt so welcomed by staff when I arrived, and it was easy to settle in and make friends.

"My Foundation course at BCUIC gave me lots of creative freedom and allowed me to experiment with different media. The self-directed study prepared me really well for my studies at the University."
